CATTLE THIEVES CONVICTED. Figures of Output of Trimble Creamery for Winter Months.

Case on all Last Week.

The supreme court, adjourned on Saturday afternoon after a most strenuous week, the court being crowded every day with interested spectators. Judge Stuart presided. The case resulted in the conviction of the five men charged with cattle stealing. Irwin Holt, got nine years; Lewis Salway, five years; James Holt, two years; Jack Dubois, nine months; and Joe Cardinal, three months. The case opened on Tuesday when Irwin Holt and Lewis Salway pleaded guilty. On Wednesday Joe Cardinal was convicted. Friday Dubois was found guilty of illegally detaining stock and James Holt was found guilty of stealing cattle. To day the judge rendered his verdict. The general newspaper reports have stated that Dubois was the head of a gang of cattle thieves. The judge said there was no evidence whatever to prove this. The other four worked together, but Cardinal was only a lad and was led on by the others and his sentence was therefore light. The prisoners were taken to the Edmonton penitentiary on Saturday evening.

The Stock Growers' Association asked the government to retain the services of F. J. Nolan to assist Crown Prosecutor Durie secure a conviction. The accused were defended by J. A. Dickson of Fort Saskatchewan, T. L. Tweedie of Calgary, and A. A. McGilivray of Stettler. Most of the cattle stolen were from the Stettler district and the stealing had been going on for some time. The verdict has given general satisfaction.

Figures of Output of Trimble Creamery for Winter Months.

The Trimble Creamery company report for the winter months to April 30th, was most gratifying. The number of patrons supplying cream was 117; pounds of butter manufactured 25,965; average selling price per pound 29.05 cents; average price paid to patrons 23.90; average price for making 4 cents; average price for hauling cream 1.75; average overrun for winter 9 per cent; average price paid on butter fat 28 cents; average price paid for butter 23.90.

H. W. Trimble showed us a letter from H. Donkin & Co., commission merchants Vancouver wherein the writer stated he had just returned from Japan and had secured large orders for butter and asked Mr. Trimble if his creamery could supply them with more of their butter as the firm had been supplying Japan houses with their goods and they were well satisfied with the quality. Mr. Trimble says if the patrons will supply the creamery with cream they will do the rest. The prospects are good for a much better output than last year.

Suicide.

Mr. Frane Graham, a well to do farmer near Buffalo Lake committed suicide by shooting himself in the temple with a 32 revolver last Thursday night about ten o'clock. He had been in poor health for a number of years. He has been travelling through the U. S. for the last eighteen months hoping to obtain relief but recently returned from California very despondent. Circumstances connected with his demise point very clearly to insanity for several days or even weeks previous to his death.

He left home in the afternoon of Thursday with the expressed intention of boarding the train at Nevis for Stettler to get some medicine. But when he did not return the family went to Nevis to see if he had boarded the train. It was learned that he had not done so but this was no great source of uneasiness as he had relatives near Alix where he often visited.

Before the return of his sons from Nevis the body was found in the machine shed underneath a heap of canvass. The body was not found till Friday about 9 p. m. having been lifeless about 24 hours.

Dr. Davis the coroner was summoned. The inquest was held Saturday. The verdict rendered was in accordance with the above facts. Rev. Mr. Mott held a short funeral service at the house on Monday.

The burial service was conducted by the Masonic Fraternity of Alix and Lacombe. D. D. G. M. Carstairs officiated. The deceased leaves a wife and nine nearly grown children besides a large circle of relatives and acquaintances.

Off for More Ayrshires.

Andrew Trimble, Red Deer's well known Ayrshire breeder, left for Ontario Friday evening to buy more Ayrshires. He has been so successful in his sales that he has virtually disposed of the largest portion of the fine shipment made recently and finds it necessary to replenish his herd. He will purchase a car or more from the best breeders. He will visit Toronto first, and then west to Stratford after which he will go east to Northumberland county and then to Quebec. He expects to be back in time for the fairs.

Hillsdown U. F. A.

The monthly meeting was held at Valley Centre school house on Saturday, May 29th. It was agreed by all present that a complaint be sent to the Secretary of District 11 with regard to the state of the roads between this district and Red Deer. With regard to binder twine, those present selected Eaton's tender.

Since the meeting I have heard complaints from members of the Union who were not present. I quite agree that it is not doing the right thing for those of the members who pay cash to get it at Eaton's, and the credit half to get it in Red Deer. Now it is up to the members of this Union to come to the next meeting and say what they do want, as there will be time enough to give the final order after that. If this settlement is to go ahead, it is no good staying at home and waiting for the C. P. R. or C. N. R. to do it; the farmers have got to do it themselves. If the members are too tired to turn out, just let the secretary know, and he will try and send a wagon round to gather them up, as he always has plenty of time.

Mr. J. Erickson reports potatoes for sale. The next meeting will be held on Saturday, June 26th, at 8 p. m. in Mr. O'Connor's house.

J. F. EDGE PARTINGTON, Sec.-Treas.

Liberals Elect Officers.

The Red Deer Liberal association met in Alexandra Hall on Monday evening last for election of officers and other business. There was not a large attendance. The following officers were elected: C. L. Durie, President; R. P. Walliver, 1st Vice-President; F. W. Galdrath, 2nd Vice-President; Ed. Hogg, Sec.-Treas. Executive—J. L. Crawford, Jos. Wallace, G. W. Smith, J. C. Moore, A. W. Webster, E. Krause, C. J. Rutter.

IT PAYS TO BE A GOOD LIBERAL.

Harry Clarke, late president of the Liberal Association, has secured a position in the government timber office Edmonton, at a salary of \$1,200 and E. Chappel has been appointed a clerk in the Red Deer Land Office. Reward for services rendered. It pays to be good.

Football.

Ponoka play here this afternoon. Ponoka defeated Stettler at Ponoka on Friday last by 1-0.

The town and the Firemen play the final game for the cup one week from to-night.

Down in the southern division of the League some interesting games have been played. Innisfail and Didsbury have each won one game from the other, while the two games Crossfield and Carstairs have played have both been protested.

On Monday night the School and Firemen played a good game. The Firemen had a good forward line and had the best advantage of the play in the first half and after some hard pressing Bawlf scored leaving the Firemen one ahead at half time. In the second half the School had the best of the game and evened the score. H. Donomey putting in a fast one. The score stood 1-1 at the finish. Geo. Clark refereed. The school played the same team as on the Friday before. The Firemen's team were: Goal Davis; backs, Logan and Hoare; halves, Bonney, Roberts & McQueen; forwards, Kent, Bawlf, Krause, Robertson and Coghlin.

On Friday night last the School played their second game with the town. The School seemed to be off color at the start and the town scored twice in the first fifteen minutes Moore putting the first through in five minutes by a brilliant rush and Geo the other. Then the School woke up a bit and no more goals were scored before half. After half the School pressed hard and the game their own way Edmonds scoring for them on a rebound and the score stood 2-1 in favor of the Town. B. Krause refereed. Following was the line up:

Donomey and A. Carswell; halves, Mann, Parsons and Markle; forwards, Edmonds, Brumpton, B. Carswell, Hewson and H. Donomey. Down: goal: half: backs, Patchett and Oliver; halves, Hocking, Cassels and Chapman; forwards, La France, Gee, Moore Birnie and Willis.

Standing for Michener Cup.

A win counts 2 points to the winner a draw game one point to each team.

June Wedding.

A quiet but most interesting wedding took place at Calgary yesterday when Cecil H. Seymour a prominent and well known rancher south of Edeline was married to Miss Rose Garvey, of Westport, Ireland who only arrived a short time ago in Canada. Mr. Seymour was ranching for several years north of Stinking Lake and is well and favorably known by the people in that section of the country. He paid a visit to friends in the old country last winter when he met the young lady who now bears his name. The ceremony was performed by Rev. G. D. Child of Stettler, who went to Calgary for the occasion. The happy couple have the best wishes of a large circle of friends.

Horsemen Attention!

Have you a pure bred horse uninsured? If so, you are carrying a big risk. The following is a sample of the way our company settles claims:

Moore Jaw, Sask., June 10, 1909.

DEAR SIR:—

I beg to acknowledge receipt of \$1,000.00 from the Central Canadian Insurance Company for the loss of the horse "Fair Everard," which I had insured with your Company, the cheque being for the full amount of insurance. I consider the adjustment a very satisfactory one, and I take this opportunity of expressing my satisfaction with the manner in which my claim has been dealt with by the Company.

Yours truly, JOHN D. SIMPSON.

We have recently insured some of the best horses in Red Deer district. Why not yours?

WEDNESDAY, JUNE 2nd, 1909.

THE DOMINION SESSION.

After a comparatively short session of four months the Dominion Parliament wound up proceedings and closed a few days ago. The session was uneventful and noted for broken promises. We were promised an announcement on the Hudson Bay Railway yet not a word was said about it. We were promised an Insurance Bill, and Immigration Legislation, but both questions were dropped. The \$10,000,000 loan was not mentioned in the speech from the throne yet it was rushed through in the last days of the session and made practically a gift to the Grand Trunk Pacific as the security was worth very little. Then too, there were quite unannounced bills to create a Department of External Affairs, to create a Department of Labor, to add largely to the Departmental expenditures, and finally to authorize Mr. Fielding to borrow another \$50,000,000.

But the really great work of the session, so far as the government was concerned, consisted in voting down all motions and burking all proceedings for the investigation of public affairs, so as to preserve Mr. McAvity or his friends in undisturbed possession of the \$35,933 of "rake-off," and so as to whitewash Mr. Pugsley sufficiently to keep in office that extraordinary man of business without books.

They also voted down a motion to have a thorough investigation into the other departments such as Judge Cassels carried out in the Marine and Fisheries department but it was voted down as all measures of this nature were voted down by the partizan following of the government which took this means of covering their defeat.

EARL GREY TO THE SCHOOL BOYS.

In addressing the School children on Empire Day at the City of Toronto, Earl Grey gave expression to some words of advice that are worthy of repetition and the careful consideration of adults as well as of the children to whom they were spoken. It is important in these days, when our attention is apt to be distracted by various considerations that we should remember our imperial duty and face it in the spirit which the Governor General recommended to the school boys of the city of Toronto. On that

occasion he said:

"I want you boys to remember what Empire Day means. Empire Day is the festival on which every British subject should reverently remember that the British Empire stands out before the whole world as the fearless champion of freedom, fair play and equal rights; that its watchwords are responsibility, duty, sympathy and self sacrifice, and that a special responsibility rests with you individually to be true to the traditions and to the missions of your race. I also want you boys to remember that one day Canada will become if her people are faithful to their highest British traditions, the most powerful of all the self governing nations, not excluding the people of the United Kingdom, which make up the British Empire, and that it rests with you individually as well as collectively to do your utmost by your own conduct and example to make Canada not only the most powerful, but the noblest of all the self-governing nations that are proud to owe allegiance to the King."

The Advocate claims the members of the Public School Board are not doing their duty and are resting on their oars. This same claim was made last November but at the public meeting when the Board was prepared to meet any charges of this nature, not a word was said. All the members were present at the presentation of medals except R. L. Gaetz who was out of town, and J. A. Carswell who was sick. We think the remarks of the Advocate uncalculated for and unjust as we believe the trustees are attending to the duties for which they were elected in a business like and able manner and no school in Alberta has a better standing.

By one of the Government papers an increase in the Ministerial salaries from \$7,000 to \$10,000 per annum is advocated. It might be proper to grant this added emolument. But the argument advanced in favor of this augmentation, namely, that the Ministers have no way of making money other than at their offices, is contradicted in the case of Clifford Sifton, who, as we are informed, did wonders in the Department of the Interior, and yet had time to earn a million for himself.

The summer service of the C. P. R. will start June 8, when the trains now leaving Montreal in the morning and stopping at Calgary, will run to the coast.

Bill Smith is a storekeeper, and this spring he came to Edmonton to purchase his stock for the summer trade. The goods were shipped immediately and reached his store before he did. Among the lot of cases and packages was a box shaped something like a coffin. When Bill's wife saw this one she uttered a scream and called for a hammer. The drayman hearing her shrill cries rushed in to see what the trouble was. The wife, pale and faint, pointed to the following inscription on the box: "Bill inside."

Work Started Wednesday on Vegreville-Camrose Line.

Indications Are Encouraging for Completion of the Grade from Strathcona to Red Deer This Summer.

(Strathcona Plaindealer.)

In support of the information published in the Plaindealer some days ago that the construction work would be begun this summer on the Strathcona and Calgary C.N.R. government guaranteed branch line, comes the statement that grading gangs were started working towards Vegreville and Red Deer, at Camrose Wednesday.

Mr. D. G. Bonter, who has spent a few days in Camrose this week, returned to the city last evening with the above encouraging information, and he stated that the railway men, press, and citizens of Camrose all assert with perfect assurance that the work will be shortly commenced on the Strathcona connections. It has been generally conceded by all reliable authority that the work would be begun first on the Vegreville-Red Deer extensions, but it was feared by many that the construction work would be delayed until so late in the season that it would perhaps necessitate the abandonment of the grading operations on this end of the main line from Camrose, however, with the early start on actual construction operations the prospects appear bright for the graders reaching Strathcona this summer. Mr. Bonter has a great deal to say with praise of the enterprising little neighbor town to the south-east which has before it such an apparent brilliant future as a railway centre.

THE HORSE RANCHE

Sec. 12-34-24, W. 4th.

Horses of Every Description For Sale.

CUY M. SHAW.
(R. A. MITCHELL, PRO. MAN.)

ADDRESS:
HUXLEY, ALBERTA.

MARKERVILLE DISTRICT.

Public Auction

Thursday, June 10th, 1909.

FRANK MOTT.

Favored by instructions from Mr. T. J. Davidson, will sell by Public Auction his farm, No. 1, Sec. 10, Twp. 37, Range 2, W. of 20, 53 miles south of Vegreville, and 41 miles north-west of Markerville, and about 16 miles west of Innisfail, all live and dead farming stock, also a section of land, particulars of which are given below.

CATTLE.

10 milch cows, some with calf at foot and others to calve; 3 heifers, 2-year-olds; 4 steers, 2-year-olds; 6 yearlings; 1 bull, rising 3 years.

HORSES.

1 bay mare, 4 years old, weighing about 1200 lbs.; 1 black gelding, about 1200 lbs., 4 years old; 1 bay mare, about 1100 lbs., 6 years old, in foal; 1 brown mare, 3 years old; 1 buckskin mare, 8 years old; 1 buckskin mare, 12 years old.

12 Chickens: about 60 bushels of oats.

IMPLEMENTS, Etc.

1 Frost & Wood Binder, 2 mowers, 1 rake, 1 wagon, 1 set bob sleighs, 1 Capital cream separator, new grindstone and other farm tools, 1 set harness, 1 saddle, cook stove, and kitchen utensils, tables, chairs, beds, cupboard, sewing machine and other household goods.

LAND.

The north-west quarter of section 10, Twp. 37, Range 2, W. 5th. This quarter is all fenced and contains excellent hay land, and some breaking. There is also a house, stable, and a good well of water, and is situated 1 mile from school and three miles from Markerville, on a good road. Terms: One-third cash and balance in two equal yearly instalments bearing 6 per cent. interest per annum.

The auctioneer wishes to call special attention to the above stock, the cows having been carefully selected for milk production, and are in fine condition and full flow of milk. The horses are good workers and the implements are in good condition. Terms on live stock, implements, etc.—Cash, unless arrangements are made with the owner before the sale. Terms on land, see above. Sale of furniture and small goods to commence at 10 o'clock. Lunch at noon.

FRANK MOTT, M.A.A.A., Auctioneer, Red Deer.

Judicial Sale of Farm Property.

Pursuant to judgment and final order for sale, there will be sold with the approbation of a judge of the Supreme Court, by Mr. Frank Mott, auctioneer, at the Court House, in the town of Red Deer, at the hour of two o'clock p.m., on Saturday, June 10th day of June, 1909, the following lands and premises in one parcel: Section 10, in Township 37, in Range 1, West of the Fifth Meridian, in the Province of Alberta, containing 128 acres, more or less.

The plaintiff is informed of the following particulars of the said land: About 100 acres are arable, and 10 acres have been broken, but at present there are none under cultivation. There are 10 acres of hay meadow land, and there is scattered poplar wood over about 80 acres. The fencing consists of wire and rail. The water supply consists of a spring, and there is a log house about 12 by 24 feet with a shingle roof, and also a log stable. The lands are situated about 10 miles from Red Deer, 5 miles from a creamery, and 3 miles from a post office. There is a school on this quarter section. The property will be offered for sale subject to a reserved bid. The purchaser to pay 10 per cent. of his bid to the vendor, or it's solicitor, at the time of sale, and the balance without interest within 90 days into court.

In all other respects the terms and conditions of sale will be the standing conditions of the Supreme Court of Alberta. Further particulars can be had from Emory, Newell & Bolton, Solicitors, Edmonton; Short, Cross, Biggar & Cowan, Solicitors, Edmonton; Greene & Payne, Solicitors, Red Deer; and from the undersigned.

Dated at Edmonton this 18th day of May, 1909.
McDONALD & TIGHE,
14 Jasper Ave., W., Edmonton, Solicitors for the Vendor.

C. E. HALL,

Red Deer's Cash Store, Smith & Gaetz Block.

Navy Fears No Airship.

Capt. John C. Tremont, of the United States battleship Mississippi, is not a believer in the theory that the battleship is to be relegated by the adoption of aerial navigation. In discussing the matter he said:

Did you ever try to drop a marble from the second story of a building into a hat on the ground? Well that is just about as easy to do as it is to drop a battleship from an airship up on a battleship or a dreadnought. The currents of air will cause the shell to fall in some place other than that designed invariably. There is nothing of sufficient carrying power yet to bring about the navigation of the air by any sort of a ship that will carry a gun or instrument which would direct the fire accurately of a downward projectile. It will be many years before aerial navigation becomes a source of extreme danger to the navies of the world, and it will

never be until there is some better propelling power than a gas engine. Instead of a force which generates to the pound there must be something which will be able to generate a horse power to an ounce of combustible gas. Then there must be something which will sustain weight in the air, and which cannot be found and shot to pieces by guns on earth. At present from recent experiments, it has been shown that an aerial vessel is helpless, and can be shot to pieces at an altitude of several thousand feet, more than two miles, before it can reach a position anything like directly over the object it seeks to attack.

To Rent.

Large eleven roomed house on Gaetz Avenue North. Electric light communication. Small stable and shed in rear. Apply to GREENE & PAYNE, Red Deer, April 13, 1914. Law Office.

Town Council.

The regular meeting of the Town Council was held on Thursday evening last with "Councillor" H. H. Gaetz, and Councillors Pidgeon, Tallman, H. H. Gaetz, and T. A. Gaetz in attendance.

CORRESPONDENCE.

From Hon. Frank Oliver and Mr. C. M. P. re. Canadian Exposition in 1914. The Western Municipal News wrote that they had published the article from Monetary Times giving Red Deer justice regarding article published some time back. The Council was notified of the ninth meeting of the Union of Canadian Municipalities July 26, 27 and 28 in Medicine Hat and Calgary. Filed.

From S. B. Wood deputy Attorney-General re. using cells in Court House. Dealt with in Commissioners report.

A. M. McDonald protested against water rate being raised from \$10 to \$25. Dealt with by Commissioners.

J. Sleith asked permission to fix up his cemetery lot.

A. Diller asked information re. remy-go-round. Referred to commissioners.

In reply to a letter from the town clerk, Calgary, and Edmonton clerks wrote the Provincial government were paying frontage tax in their cities for local improvements but the Dominion properties were not but they were trying to secure the tax through the Dominion was really exempt.

C. K. Wright would like sewer connection for his tenement on Mann street. Referred to Commissioners.

M. A. Munro wrote enclosing a resolution passed at the last meeting of the Board of Trade re. the publicity building.

Dawson, Hyndman & Hyndman barristers of Edmonton asked for a copy of license by-law as they were asked advice on point in connection with the same.

The clerk said there was no copy of by-law at present but the commissioners had written the firm.

C. A. E'Brien city electrician of Calgary informed the Council the proposed fire alarm system was no good and did not advise the Council entertaining it. He thought it better to depend on telephones until a proper box system was adopted.

COMMISSIONERS' REPORT.

We beg to submit our semi-monthly report as follows:

We recommend that we be authorized to have the electric lights in the Town offices out at the end of this month.

We recommend that the Town give C. K. Wright notice that the Town will vacate the police station building at the end of June and terminate the tenancy then, and that we be authorized to arrange for a police office until the new offices are built, using the Court House cells until others are available.

Engineer Neville reported that the Town square cannot be levelled for \$50. We recommend that nothing be done to it at present.

We inspected the roof of the fire hall and found it in bad shape. We have ordered it to be repaired as well as possible.

We have secured a place to deposit night soil temporarily, and instructed A. Cutler to have a trench dug at the town's expense. We have also had permits for removal of night soil printed and delivered to the Chief of Police.

We have had the flush valve put in the manholes and some of the sewers flushed. The others will be flushed as soon as possible.

Mr. Goodall, western representative of the Monetary Times, was in town on the morning of 20th inst. We showed him our office system and financial position, at which he expressed great satisfaction. We engaged a rig and showed him around town also.

We have advertised for tenders for the office building to noon June 3rd.

The fire pressure of 120 lbs. was put on the mains last week and maintained for some hours. Several small leaks developed which have been repaired.

new band leader Sergeant Wilson, who was selected as leader by a meeting to re-organize the band, and we believe there is a good prospect of its being made successful. We recommend that the equipment be turned over to them on their giving a receipt for it and a guarantee that it will be returned to the Town Council on demand. Also that a grant of \$80 be made to the band for the purchase of new instruments and music.

Mr. C. M. P. re. a refund of \$1.00 be made to Ash Lee amount paid to have water turned on, when it was found that his service pipes were frozen up; also that we be authorized to give Mr. McDonald a rate of \$10 per year which he has formerly paid for his photo gallery. We would also point out that a rate has never been made by the Council for meter rental. The creamery is the only meter service at present, and they have been charged 10c. per M. gals., whereas the rates for the 25c. per M. gals. creamery rate amounts to only about \$10 per year.

We have made a careful analysis of the standing of the different construction accounts and find them as follows:

Sewerage account surplus on hand before commencing construction this year including \$2326 premium received on last debentures sold \$19,185.00

Waterworks as of May 15th, plus, 1,730.50

Fire Hall, as of May 15th, surplus 520.50

As the estimated cost of completing the sewer extensions (except to Parkway) is \$10,000 there will be enough surplus left to build the septic tank, the Parkway extension and some others.

We therefore recommend that we be authorized to place the amount of premium received from sale of sewer debentures (\$2326.00) to the credit of the waterworks construction account. This will make it unnecessary to establish a money by-law for waterworks extension this year.

We submit for your consideration the following by-laws:

To raise \$150.00 for sidewalks and street grading.

A by-law to raise the sum of \$3000 for the building of an extension to the fire hall to be used for office buildings and police station.

A by-law to raise the sum of \$3000 for the purposes of building extension to the water works system.

We submit list of accounts for authorization to pay.

We have taken up the question of bill boards with the Town Solicitor and are informed that the Town has power to regulate and license bill posters or to prevent the defacing of private property or other property by printed or other notices. The Town also has power to prohibit and regulate the erection of wooden fences within the fire limits.

The report was received and adopted.

Councillors Pidgeon and Tallman moved that the Mayor and Sec. Treas. be and are hereby authorized to sign a cheque for the purchase of musical instruments and music for the Red Deer Band as per commissioners report. Carried.

Councillors Tallman and Pidgeon moved that the Sec. Treas. be authorized to draw a cheque for \$1.00 being refund on water account of Ash Lee. Carried.

Councillors H. H. Gaetz and Pidgeon moved that the rate water supply to the creamery be changed from 10c. per 1000 gallons to 25c. per 1000 with a common charge of 25c. per annum. Carried.

Councillors T. A. Gaetz and Tallman, moved that the Sec. Treas. be authorized to place the amount of \$2,326 premium received on sale of Local Improvement debentures to the credit of the waterworks construction account. Carried.

PLUMBING BY-LAW.

The Council went into Committee of the whole on the plumbing by-law and the clauses were read and approved after which the by-law was read a third time and finally passed.

W. A. Moore, manager of the Western General Electric Co. addressed the Council regarding protecting the property of his company on the river front. He said his company found it necessary to put in piles and raise the bank and he thought the town should assist in protecting the bank and it should be a great benefit to the town. He wanted to know if a mutual arrangement could be arrived at whereby they could work with the town.

Councillor Tallman said he had not gone into the question as he would like to, and could not give any suggestions without again looking over the ground.

A by-law to raise the sum of \$1,500 for sidewalk construction and grading of streets passed its first and second readings and a vote of the duly qualified electors will be taken on June 24 in the Council chamber.

A by-law to raise the sum of not larger than \$3000 to build a fire hall, also passed its first and second reading and a vote by the electors will be taken on June 24 in the Council chamber.

The Secretary Treasurer was instructed to have the by-laws published according to regulations.

Some discussion took place regarding the scales.

The Council unanimously recommended payment of the following accounts: Canadian Pacific Railway Co. \$237.00; Eastern General Electric Co. \$45; Red Deer Steam Laundry \$50; Greene & Payne \$55.37; N. Wakefield, \$12.40; Crown Lumber Co. \$365.00; Crown Lumber Co. \$230.65; Regina Iron Works \$23.25.

Red Deer at Stettler.

Red Deer played their first game for the Snell Shield on the 25th of May at Stettler. Leaving town at noon they arrived in the eastern town about five and took rooms at the Hotel Stettler. After supper the game was played on the grounds southwest of the town. The grounds were in very bad shape there being nearly a foot of water in front of both goals. The game was fairly even although it could hardly be called football. Stettler have some fast men but they were hardly up to the mark of the visitors.

Red Deer scored two goals in the first half but the Stettler referee only allowed them one and no goals being made in the last half the score stood 1-0 in favor of Red Deer. The Red Deer team were: goal, W. Davis; backs, J. Oliver and A. Carswell; halves, H. Bawlf, W. Krause and E. Roberts; forwards, Kent, Robinson, Willis, Hewson and Mann; manager, W. Cowell. A good game is expected on June 7 when Stettler play here.

The boys met many old Red Deer men at Stettler some of whom were C. Smith, H. Longson, O. Rich, A. Moore, etc. Stettler district appears to have had more rain than we have had here and the roadbed of the railway is in very bad shape in places. In the town itself the mud is very deep but business in all lines is wonderfully brisk and the hotels are all crowded to the doors.

Mr. E. North just came in from his homestead ninety miles east of Stettler and he says the road, which is in very bad shape, is lined with settlers and the effects of many of which have had to be left behind. The crops in the Stettler district appear to be a little ahead of those in this district.

Mr. Davis caught a ten and a half pound trout at the mouth of the creek Monday, May 24th.

Strayed.

Strayed on the premises of Wm. Vanhorn, the S.W. 1/4 of Sec. 35, Tp. 37, Rge. 4, west of 5th, one iron grey mare with white stripe in face also about a year old horse colt, brown in color. The owner can have the same by paying all expenses. J. ERIKSON, Lw. Eleven miles east of Red Deer.

Notice.

If you want your garden worked up in good shape, ready for planting, pay to get a man that understands the job to do for you. The line is here now to have this work done, and as I have had a lot of experience in gardening and have the tools to do the work, I am looking for this kind of work. I will guarantee a good job at a reasonable price. Send in your order to JOHN WOOD, Box 265, Red Deer.

I will have cabbage and cauliflower plants for sale in season, also rhubarb roots.

To Let.

Two nice furnished rooms. Three minutes walk from post office. Apply to NEWS OFFICE.

THE "ZOMBIER" TROTTER STALLION "ZOMBIER" 2294

Was sired by the world renowned "Zombier", 211, the greatest show horse and sire of extreme speed that ever lived. "Zombier's" claim to greatness once he sired "Italia" 204, world record for green mare, "San Francisco" 247, world's record for three healthy green stallions, "Hymettus", 208, world's record for three-year-old gelding, "Zombier's" claim to greatness does not end with his sire, as his 1st and 2nd dams were both great trotters and his 3rd dam was a "Zombier", one of the twelve greatest mares that ever lived. Due to my long and carefully study his tabulated pedigree, and what he has achieved, he is a Prince, and son of a King. The Zombier has sold for thousands, where other good horses have brought only hundreds. Farmers, as well as others, look to your interests, and breed a mare or even a gelding by my barn and carefully study his tabulated pedigree, and what he has achieved, he is a Prince, and son of a King. The Zombier has sold for thousands, where other good horses have brought only hundreds. BY-LAW NO. 208.

A BY-LAW to provide for raising
the sum of Three Thousand Dollars
(\$3,000) to be expended in building an
extension to the Fire Hall, to be used
for offices and Police Station.

WHEREAS it is deemed expedient
by the Council of the Town of Red
Deer to provide for offices and a Police
Station by building an extension to
the Fire Hall, and to incur a debt of
Three Thousand Dollars (\$3,000) for
the said purpose.

AND WHEREAS the sum of Three
Thousand Dollars (\$3,000) is required
for such purpose.

AND WHEREAS it is expedient
that there should be borrowed by the
municipality of the Town of Red Deer,
the sum of Three Thousand Dollars
(\$3,000) for the purpose aforesaid, and
that the indebtedness thus created be
spread over a period of Twenty (20)
years.

AND WHEREAS the amount of
the whole rateable property of the
said municipality according to the last
revised Assessment Roll is the sum of
\$1,485,850.00.

AND WHEREAS the total amount
of the existing debt of the municipa-
lity outside of the debt due for the
current expenses for the year, is
\$120,940.00, no part of which is in
arrear.

AND WHEREAS it is expedient
that this By-law should take effect on
the 8th day of July, A. D. 1900.

NOW THEREFORE the Municipal
Council of the Town of Red Deer
enacts as follows:

1. That the Mayor and Secretary-
Treasurer of the Town of Red Deer
hereby authorized and empowered to
borrow on behalf of the municipality
the sum of money not exceeding
in the aggregate the sum of Three
Thousand Dollars (\$3,000).

2. That the said sum shall be ex-
pended in building an extension to the
Fire Hall to be used for offices and a
Police Station, and for the purpose of
raising the said sum one or more de-
bentures in sums of not less than One
Hundred Dollars (\$100) each, of the
said Town, not exceeding in the
aggregate the sum of Three Thousand
Dollars (\$3,000) as aforesaid, shall be
issued, each of which debentures shall
be dated on the day upon which this
By-law takes effect, and shall be pay-
able within Twenty (20) years from the
day of the date thereof, in twenty
equal, consecutive annual instalments
of principal and interest at the
Merchants Bank of Canada in Red
Deer, Alberta.

3. That each of the said debentures
shall be signed by the Mayor and Sec-
retary-Treasurer of the Town of Red
Deer and sealed with the seal of the
corporation of the Town of Red Deer.

4. The said debentures shall bear
interest at the rate of five per centum
per annum and shall have attached
thereto coupons for payment of the
instalments of principal and interest,
which coupons shall be signed by the
Mayor and Secretary-Treasurer of
the Town of Red Deer.

5. During the currency of the said
debt there shall be raised annually by
special rate on all the rateable prop-
erty of the Town of Red Deer the sum
of \$20.73 for paying the amount of
the instalments of principal and inter-
est due in each of the said years in
respect of the said debt.

6. The votes of the duly qualified
electors of the Town of Red Deer shall
be taken on the 24th day of June, A. D.
1900, in the Council Chamber in the
Fire Hall on Ross Avenue in the said
Town of Red Deer, commencing at the
hour of nine o'clock, in the forenoon
and continuing to the hour of five
o'clock in the afternoon of the same
day, and the Returning Officer and
Deputy Returning Officer for taking
the said votes shall be Albert Thorburn
Stephenson and Alfred George Ayres
respectively.

7. The said Returning Officer shall
sum up the number of votes cast and
against this By-law on the 24th day of
June, A. D. 1900, at the hour of ten
o'clock in the forenoon in the said
Council Chamber.

8. This By-law shall be finally con-
sidered by the Council and if the same
shall have been assented to by the
electors, shall then be passed on the
8th day of July, A. D. 1900, at the hour
of eight o'clock in the evening.

Read a first and second time in open
Council this 27th day of May, A. D.
1900.

Mayor.

Secretary-Treasurer.

Magnificent Art Exhibition at Calgary.

INSURED FOR \$50,000.

Calgary, Alta., May 28.—The
splendid collection of paintings
gathered with great care by Mr.
E. O'Brien of Montreal, will be
an important attraction of the
Alberta Provincial Exhibition in
this city, from July 5th to 10th.
The exhibit will contain from 175
to 200 pictures, obtained from
private collections from the
studios of the leading Canadian
artists, and of many of the best
artists of France, Italy and Ger-
many, such as W. B. Leader, R.
A. Birkett, Foster, R. A., I.
Phillips, R. A., J. J. Inglis, R. H.
A. E. Hayes, R. I., J. N. Barlow,
R. B. A. W. Manners, R. B. A.,
Claude Marks, W. A. Gibson, E.
Hargitt, R. W. R., James Orricks,
R. L. A. Midy, R. R. Wichera,
Van Couver, G. de Pozza, Bos-
boom, Van Staaton, Spinetti,
Tananghi, Julian, and other
masters of eminence. Mr. O'Brien
expects the number of paintings in
the Alberta Provincial
Exhibition art loan collection to
be considerably greater than
those shown at different places
throughout Eastern Canada, the
Canadian Art Club, Toronto,
having exhibited but 80, the
Ontario Society of Artists,
Toronto, 133, and the Royal
Canadian Academy, Ottawa, 175.
The value of the art collection
which Mr. O'Brien will have on
show at the exhibition between
July 5th and 10th, in Calgary,
may be understood when it is
known that it has been insured
for \$50,000. In addition to the
works of art being brought from
the east, it is understood that
many masterpieces now in the
studies of various western art
lovers, will be included in the art
loan collection. Mr. A. D. Chr.
Boss of Okotoks has written to
Manager Richardson, kindly
offering to loan an art treasure
which was painted by Rembrandt
van Rijn in 1630. Mr. Chr. Ross
states in his letter that Pierpont
Morgan and other art collectors
in New York and elsewhere have
at various times offered him a
large sum for his painting which
was brought from Holland about
two years ago.

NOTICE IS HEREBY GIVEN
that the foregoing is a true copy of
the proposed By-law, which will be
taken into consideration by the Municipal
Council of the Town of Red Deer
after being voted upon by the electors,
that the date of the first publication
of the said proposed By-law is the 2nd
day of June, A. D. 1900, in the "News,"
a newspaper published in the Town of
Red Deer, and that the votes of the
Electors will be taken upon the said
proposed By-law on Thursday, the 24th
day of June, A. D. 1900, between the
hours of nine o'clock in the forenoon
and five o'clock in the afternoon of the
same day, in the Council Chamber in
the Town of Red Deer, and the said
Returning Officer shall sum up the
number of votes for and against the
said By-law on Friday, the 24th day
of June, A. D. 1900, at the hour of ten
o'clock in the forenoon, in the said
Council Chamber.

Dated at Red Deer, in the Province
of Alberta, this 28th day of May, A. D.
1900.

CAETZ AVE.

RED DEER.

WATCH OUR LOCALS!

LOCAL & GENERAL.

Red Deer U. F. A. meets Saturday afternoon.

Dr. Parson's new automobile came in on Monday's train.

Special bargains at Snell's big sale Friday afternoon for ladies.

Mrs. Hey has been visiting friends east of Wetsakwin the past week or ten days.

Mr. and Mrs. Will Goard came in Sunday from the coast and drove out to Exkville to visit Mrs. Goard's parents.

Mrs. Alex Cornett, of Pincher Creek, and Mrs. R. A. Ballard, of High River, are the guests of Mrs. Cornett.

A galvanized steel wire rack, 32 inches wide, is among the new things for lawn and garden use that Smith & Gaetz are showing this year.

Steel is arriving daily at Red Deer for the proposed change in rails, the track from Strathcona to near Infaill will be laid with heavy rails this summer.

There is absolutely no foundation for the rumor that Doctor Rowntree intends leaving town; the doctor is very well pleased with his practice in Red Deer.

The large, central, offices and stable, now occupied as police station, on Ross Avenue, will be for rent from July 1st. Apply Wright Agency, Gaetz Avenue.

Superintendent Niblock of the C. P. R. was in Red Deer Friday last, inspecting work in and around the yards and taking stock of other improvements which are meditated at this point.

The Wright Agency has made a sale of African script during the past few days, from J. C. Calder, Greenwood, B.C., to Mr. Cooper, lately arrived from Oregon, who is locating in this district.

Every farmer should see Boker's Staple Puller and Fencing Plyer, No. 5135, now being shown by Smith & Gaetz. It is one of the nicest tools ever made for the purpose and is very reasonable in price.

H. H. Drake would consider it a great favor if his numerous customers would hand in their orders Friday evening or early Saturday for Saturday delivery, as it is impossible for him to get all his customers supplied before midnight if orders continue to come in so late as they have the past few weeks.

Michener, Carswell & Co. are having their office thoroughly overhauled and enlarged. Mr. Michener will have the large room behind, formerly used by Miss Michener as a music room, as his private office, and Mr. Carswell will have his office in the front. The whole interior will be nicely finished off.

A swell wedding means rich and handsome gifts for bridal presents, and handsome table silver is among the most acceptable as well as the most useful of anything that can be offered. Our fine array of flat and hollow ware, silver spoons, forks, ladies', etc., is something to excite admiration. The quality is fine, the workmanship is elaborate. H. H. Humber.

About thirty members of the Presbyterian church met at the residence of A. H. Ilsey last evening, and Mrs. Byers and J. Coghlin presented him with a cabinet of silver as a slight token of the high esteem in which he is held by the congregation. Revs. Brown and Fortune and Dr. Rowntree made short addresses, and Mr. Ilsey feelingly replied. Mr. Ilsey has been a tower of strength in the church, and will be missed.

YOU GOOD-FOR-NOTHING DUNCE!

How many unhappy children's sensitive natures have been wounded by such an exclamation from an overwrought teacher or parent discouraged on account of the child's stupidity. And all because the poor kid was handicapped with imperfect vision, unsuspected by either child or instructor.

Perhaps you think this is far fetched, but I tell you it is a solemn fact. I have not space here to go into detail, but if you have reason to suspect trouble with your children's eyes, bring them to me. I can tell you positively, without asking a question, if the child is too young or too shy to answer questions. If they do not wear glasses, I'll tell you so, and charge you say \$2.00. It is worth it, don't you think?

P. K. Griffin frames the best pictures.

Help wanted for house work at the English Cafe.

Mrs. Wallace, of Calgary, is the guest of Mrs. John McMillan.

Remember Snell's great sale of Jewellery, Thursday, Friday and Saturday.

R. R. Randall, manager of the Merchants Bank, left for the east a few days ago, and it is rumored he will return a benedict.

A public meeting will be held in the Fire Hall on Wednesday June 9th at 8 p.m. to make arrangements for sports on July 1st.

The Red Deer Brick company are running their yard to full capacity and have now orders ahead for all the brick they can make up to July.

Henry Poeha had three fingers of his right hand badly smashed by being caught in a saw at the Great West Lumber Co.'s mill. The doctor is hopeful of saving them.

The Rev. J. C. Bowen M. A. of Strathcona will preach anniversary sermons in the Baptist Church next Sunday both morning and evening. Monday evening a social rally will be held when a good program will be rendered and excellent refreshments will be served.

The School Board has purchased the land between the new school building and the street to the east, adding a fine large play ground of two acres for the High School in the future. This step was necessary to prevent people buying lots and making their back door yards almost up to the school.

In the police court yesterday, before Justices Wallace, Mellor, six citizens were charged with allowing their dogs to run at large without being under control contrary to the provisions of the animals' contagious disease act in this district. The accused, who all pleaded guilty, were mulcted in the costs only. Dr. Niblett, the government veterinary inspector, attended the court.

Mrs. G. W. Smith gave a farewell reception to Mrs. J. R. Cowell Saturday afternoon, which was largely attended. Mr. and Mrs. Cowell and family left Monday for Armstrong, B.C., where Mr. Cowell has a fruit farm.

Mrs. Cowell's health has not been of the best lately and he thinks a change will do him good. He has not sold his property in Red Deer, and hopes to return to this town again after a time.

Arrangements have been made with the C. P. R. by the manager of the Alberta Provincial Exhibition to run special excursion trains from Red Deer and Macleod to Calgary at about 5 o'clock on Friday 8th, the first day of the exhibition, so that they will arrive in Calgary about 9.30, in time to allow the visitors to see the big historical pageant.

The entertainment by the Ladies' Guild of St. Luke's church Wednesday evening, at the residence of Mrs. J. A. Carswell, was very successful. There was a good attendance and nice program. Instrumental solos were given by Miss Olive Smith, Mrs. B. Krause, C. K. Wright, Patchett and Bergfried. W. Huskins gave one of his comic recitations, and vocal solos were rendered by Mrs. Geo. Wilkins, Rev. Mr. Moore, P. Hart, F. Castle, Dr. Miss Hives, Miss Walker, delved deeply into the mysteries of fortune telling, and Mrs. Ayres and Mrs. Geo. Wilton assisted with the refreshments.

Hospital Conversation.

The Conversation given by the Ladies Aid of the Memorial Hospital on Friday evening last was a pronounced success. There was a large attendance of citizens and the proceeds over all expenses were about sixty dollars. The Executive or Committee of management consisted of Mesdames George, Parsons, Lefebvre, Bell, Murphy and Simpson. The refreshment committee were Mesdames Greene, Stone, Welliver, Brumpton and McKinney. Proceedings started with the grand march played by Mrs. Galbraith, then Mrs. Collison, Mrs. Coote and L. M. Gaetz sang and Misses Putnam, Huetis and Godly and Messrs. Bergfried, Wright and Patchett gave instrumental solos. At the conclusion of the program a large number of those present had a pleasant dance. The ladies wish to heartily thank all those who were kind enough to help along the entertainment in any way.

Gun Club Shoot.

The regular shoot of the Red Deer Gun Club on Monday evening was only fairly well attended. The evening was fine and the scores fairly good. Stephenson 21, Plaxton 5, Ware 16, 12, L. M. Gaetz 11, H. H. Drake 19, R. L. Gaetz 20, W. Huskins 10. Stephenson gold, R. L. Gaetz silver and Drake bronze.

Second class—Norquay 12, Parker 12, Higgs 9, Payne 11, Manning 7. Norquay gold, Parker silver, Payne bronze.

Sylvan Lake.

Loads of fish have been caught this year.

The roads are drying up and the crops are looking fine, and the song of spring birds fill the balmy air. The festive frog a hollers, and the strutting skitters hum and the great creation shouts that spring is here.

A. McPherson of Sylvan Lake has purchased from Kidd Bros. of Listowel, Ontario, the imported Belgian Arabian Pins. This magnificent horse is of the very best draft type. He is only three years old stands 17 hands and weigh a little over a ton and is undoubtedly one of the best horses ever brought to the West.

Correspondence.

THE DOG QUESTION. May 27th, '00.

Editor of News: Sir—There was recently decided in Red Deer a law case which has aroused my curiosity respecting certain points of law which I would be obliged if some one could answer satisfactorily for me.

Some time ago an outbreak of rabies occurred and as a precautionary measure a certain district was declared to be under quarantine and notices were posted in every post office and in other conspicuous places to the effect that all dogs must be securely fastened to some immovable object, or else allowed of muzzling or any other device. Also, judging that the possible chance of a person or many persons suffering or even losing their lives to be of more importance than all the dogs in the district, wisely decreed that all dogs found running at large might be destroyed by any person without compensation, and one of the notices provided for a heavy fine for any person violating the act. Very few people in country districts have obeyed this order to the slightest extent, and it seems a disgrace upon law and order that a law once passed should not be enforced; but if an unenforced law is a disgrace, law, it is much worse when some actually not only set aside the law but punish a man who merely acted within the meaning and application to the act.

Hence, I should like to know:—If an act passed by the provincial government may be set aside by a petty J. P. or P. M. I know that they might have been released but law is law, or else merely a stumbling block to justice and order.

And, if one person secured revenge, and defendant was fined, could not any person whose dogs were destroyed claim damages therefor?

While I have but little or no personal interest in this specific case, yet, as a lover of justice, I think that there has been a clear case of perversion of that justice, in which Canadians take considerable pride.

Yours, for
LAW AND ORDER.

Indian Industrial School.

Mrs. Hopkins is now cooking instructress at the school.

Rev. A. Barnet went yesterday to attend the Methodist General Conference at Strathcona.

Mr. Goddard and Mr. Cantlon, two Methodist probationers, preached at the school on Sunday.

W. B. Shaw has established a teachers' bureau at Red Deer, and will supply teachers for Alberta schools from the east.

Mrs. Barner and Miss Royston who have been visiting her during the winter, are at present near Regina, visiting their relatives during the holidays.

Big Fish Story.

W. R. Davis is having great luck fishing these days. Thursday evening last he got a twenty pound catfish. The fish caught included one speckled trout three pounds, one five pound pike and twelve gold eyes. This shows there are big fish in the Red Deer river. Mr. Davis also caught on Victoria Day the biggest speckled trout ever seen in this section. It weighed 10 1/4 pounds and measured thirty-two inches and Mr. Davis had won two one dollar bets before he had reached town on it's weight. W. Huskins lost one dollar on the bet. The trout was weighed by Mr. Hume at Smith & Gaetz's, at the Station and at the Indian School and there is no doubt whatever about the truth of the weight of the fish. It will be some time before its equal will be caught although hundreds are trying their hand at fishing now.

School Examinations.

Results of test examinations in Standards VI and VII. Marks received in other subjects will appear later.

HILL, MURPHY & CO.,

GENERAL MERCHANTS - RED DEER.

Agents for Carhartt's Overalls, Campbell's Clothing and Barrington Hats

Cockshutt Plows will soon be a household word in this district. Our famous J. G. C. style is gaining more friends every day. We have already sold more of these Sulkeys this spring than during the whole of 1908. The same thing applies to our 28-inch Jewel Gang; there is nothing on the market to touch it. With or without breaking bottoms. Sold on trial, therefore satisfaction guaranteed.

Latimer & Botterill.
